Dr. H. K. Van Buren

Because of the exigency of War, it was necessary for Dr. H. K. Van Buren to resign last January from the Carey Board of Education, after six years of splendid service on that body. Dr. Van Buren is now in the medical corps of the United States armed forces with the rank of captain. As provided by law, the Board at a meeting held February 8th, elected Ray Tracy to serve the unexpired term of Dr. Van Buren. Mr. Tracy, a veteran of World War I, is deeply interested in his community and its educational program. He will receive a cordial welcome from his fellow members of the Board, the administration, the faculty, and the student body. It seems highly appropriate while Dr. Van Buren is answering the call of his country, that a man replace him who has served it so well in the past.

JUNIOR CLASS

Well, here we are, "Jolly Juniors." We are trying our best to live up to the splendid things done by our predecessors, the seniors. This year our class is under the expert guidance of Miss Lyden and Mr. Wentling.

We chose as our class officers this year Gene Jacoby, president; Donald Karcher, vice-president; Rosemary Rook, secretary-treasurer; Shirley Jacobs, student council representative; and Richard Bland and Barbara Orians, candy managers.

"Here Comes Charlie" was chosen as our first attempt at a class play. This was under the supervision of Miss Harrer. Much to our surprise, and to hers, the play was a success. Ardyth Byers and Gene Jacoby had the leads and were supported by a grand cast.

Our candy managers, with the cooperation of the class, have been doing splendidly selling cokes, hot-dogs, and popcorn.

We have ahead of us one of the most important events in the calendar of the junior year. Yes, you have guessed it—the Junior-Senior Prom.

Many members of the class belong to the various organizations of the school, such as the G-R, Hi-Y, chorus, band, and others. The Girl Reserve initiation was certainly a sight, and our only consolation is that next year will be our turn.

Combining work and play, we are trying to make this a successful year—one to be remembered always; and we are thankful that we have the privilege of being "Jolly Juniors."

SOPHOMORE CLASS

That day again, September 7. Headaches started. Elections followed. We elected Frederick Snobarger, president; Donna Wonder, vice-president; Sevilla Musgrave, secretary; James Jacob, treasurer; and Owen Courtad, student council member. Miss McKinney and Mr. Cooperrider were our chosen homeroom teachers until Mr. Cooperrider went to the army; then Miss Claflin took over his homeroom duties.

We tried again for a hayride, but it was substituted for a freshman initiation party. After what we did to the freshmen, we're glad we're not the ones to be initiated by them.

Tony Troiano made the first team in football while the other boys who "went out" did a fine job of substituting. Several of our sophomores made the "B" team in basketball and helped win our victories.

We are looking forward to the following years in high school and are hoping they will be as successful as our second one has been.

FRESHMAN CLASS

Eighty-eight of us were enrolled at the beginning of the school year, but several more pupils have joined our happy family. Miss Bergman and Mr. Taylor were our sponsors until Miss Bergman took over Mr. Cooperrider's place as head of the sophomores. At the beginning of the second semester Miss Bergman was returned to us.

Our class chose Donald Wedge, president; Mildred Pahl, vice-president; Barbara Mulholland, secretary; and Joyce Putnam, treasurer. We are represented in student council by Joyce Snyder, Phyllis Hunter, and Lucille DeVene.

We are well represented by members of our class in the various clubs and organizations of the school, some of which are band, football, basketball, Junior Classical League, F. F. A. and F. H. A.

We are all looking hopefully forward to our next years in good old Carey High School.

EIGHTH GRADE

We are the smallest class in the whole high school building, since we are only forty strong. We are under Mr. Laird's remarkable supervision.

For our class officers we elected the following: president, Billy Yingling; secretary-treasurer, Willard Boyce; news reporter, Janet Putnam; and student council members, Betty Rex and Horace Newhard.

We presented our chapel program entitled "Dr. Speech's Serum."

On December 21, we had a Christmas party in the cafeteria and a good time was enjoyed by all who attended.

We are looking forward to the eighth grade state test in April. As our school year draws to a close, we are looking ahead to next September when we shall at last take our place in the high school proper.

FOOTBALL

Coach Wentling . . . imparted football knowledge and ignited a great team spirit. Some coaches merely put eleven men on the field but "C. D." sent out a team.

Jack Kitzler . . . Senior Back . . . "Captain Elroy" was one of our outstanding quarterbacks of Carey Hi. He could be depended upon to call the right plays and also to kick the ball out of a dangerous position to save the day.

Lewis Buckingham . . . Junior Center . . . "Shamba" . . . Helped team spirit with his humorous actions and remarks. Always gave his best in every phase of the game. Expect great things from him next year.

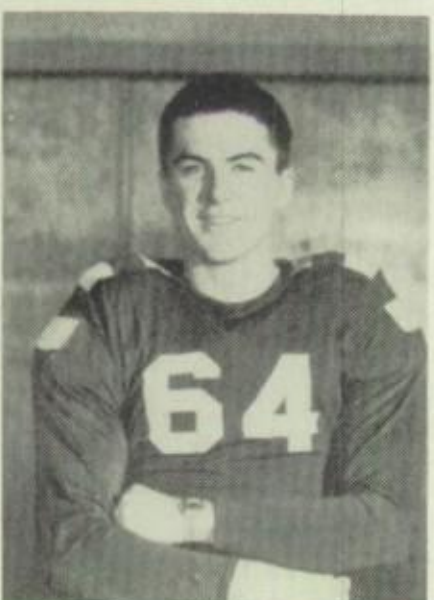

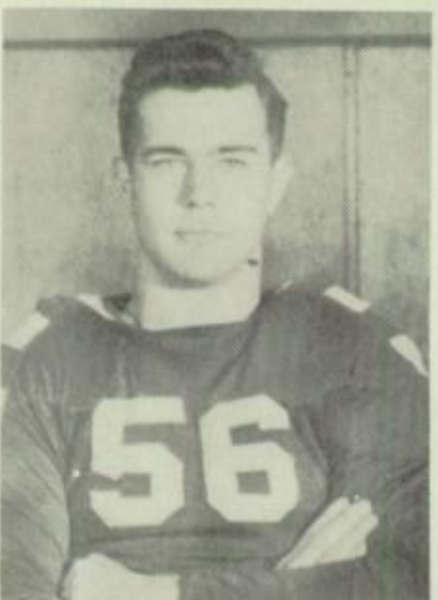

Donald Yingling . . . Junior Back . . . "Yink" . . . A deadly passer and a hard never-give-up runner. His running and passes to Ward give us a ground gaining offence that led to many victories. Expect much next year if Uncle Sam doesn't interfere.

George Walter . . . Senior End . . . "Butch" . . . First year out, he constantly spilled opposing plays and recovered enemy fumbles. He was green at first, but developed into a tough end as the season progressed.

Eugene Ulrich . . . Junior Back . . . "Horse" . . . A good fullback who could really crack that line. Could always be depended upon whenever we needed a yard or two for first down. Expect great things next year.

Richard Ward . . . Senior End . . . "Clumsy" had a knack for turning seemingly difficult passes into easy catches. Excelled in blocking punts and spilling the enemy backfield for losses.

Morris Wonder . . . "Bone Crusher" . . . Heaviest man on the line, he made his territory impregnable. Extremely dangerous and deadly when mad, as was proven in the Vanlue game, when he made fourteen successive tackles. "Watta Man!"

Wendell Myers . . . Senior Back . . . "Puck" . . . Although he received little glory, he was an essential man in the backfield and proved himself to be a good hard blocker and a crack line-backer.

James Calmes . . . Senior Guard . . . "Bill" . . . Had experience in the backfield and was used to fill most any backfield position that might be left open. He also proved very valuable on the line in the guard position this year.

Tony Troiano . . . Sophomore Guard . . . T. T. (Terrible Tony) . . . Although the lightest man on the squad, he really lived up to his nickname, always emerging from the bottom of a pile up. He was a great and vicious little blocker.

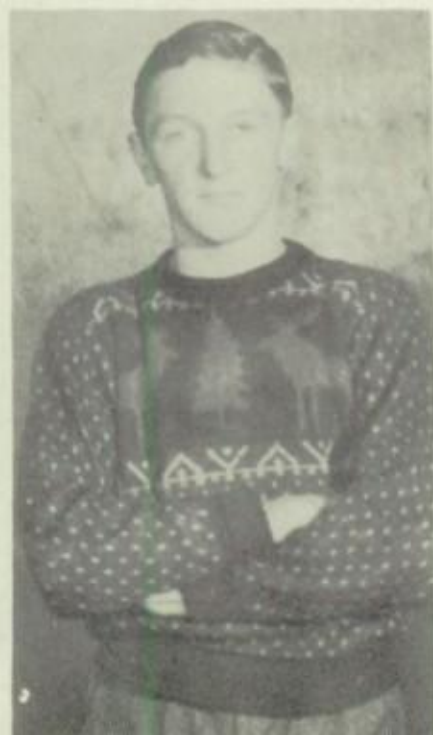

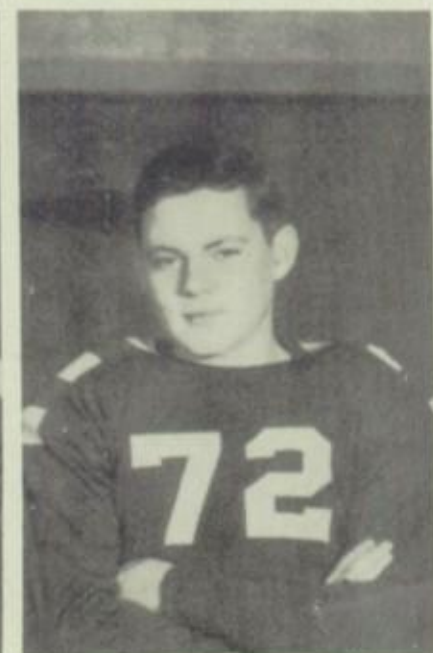

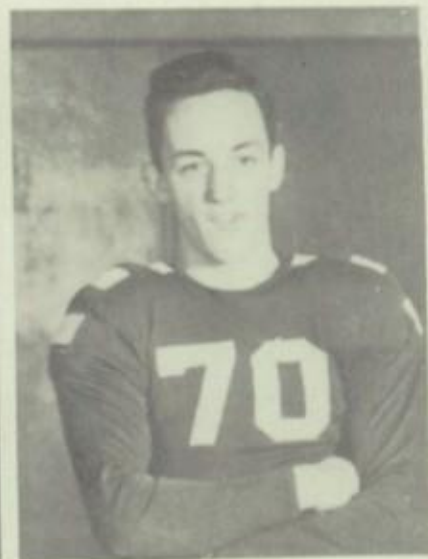

John Orians . . . Senior Tackle . . . Although light and usually outweighed, Johnny proved to be a scrappy tackle, able to hold his own against any opposition. His consistent smile helped bolster team spirit.

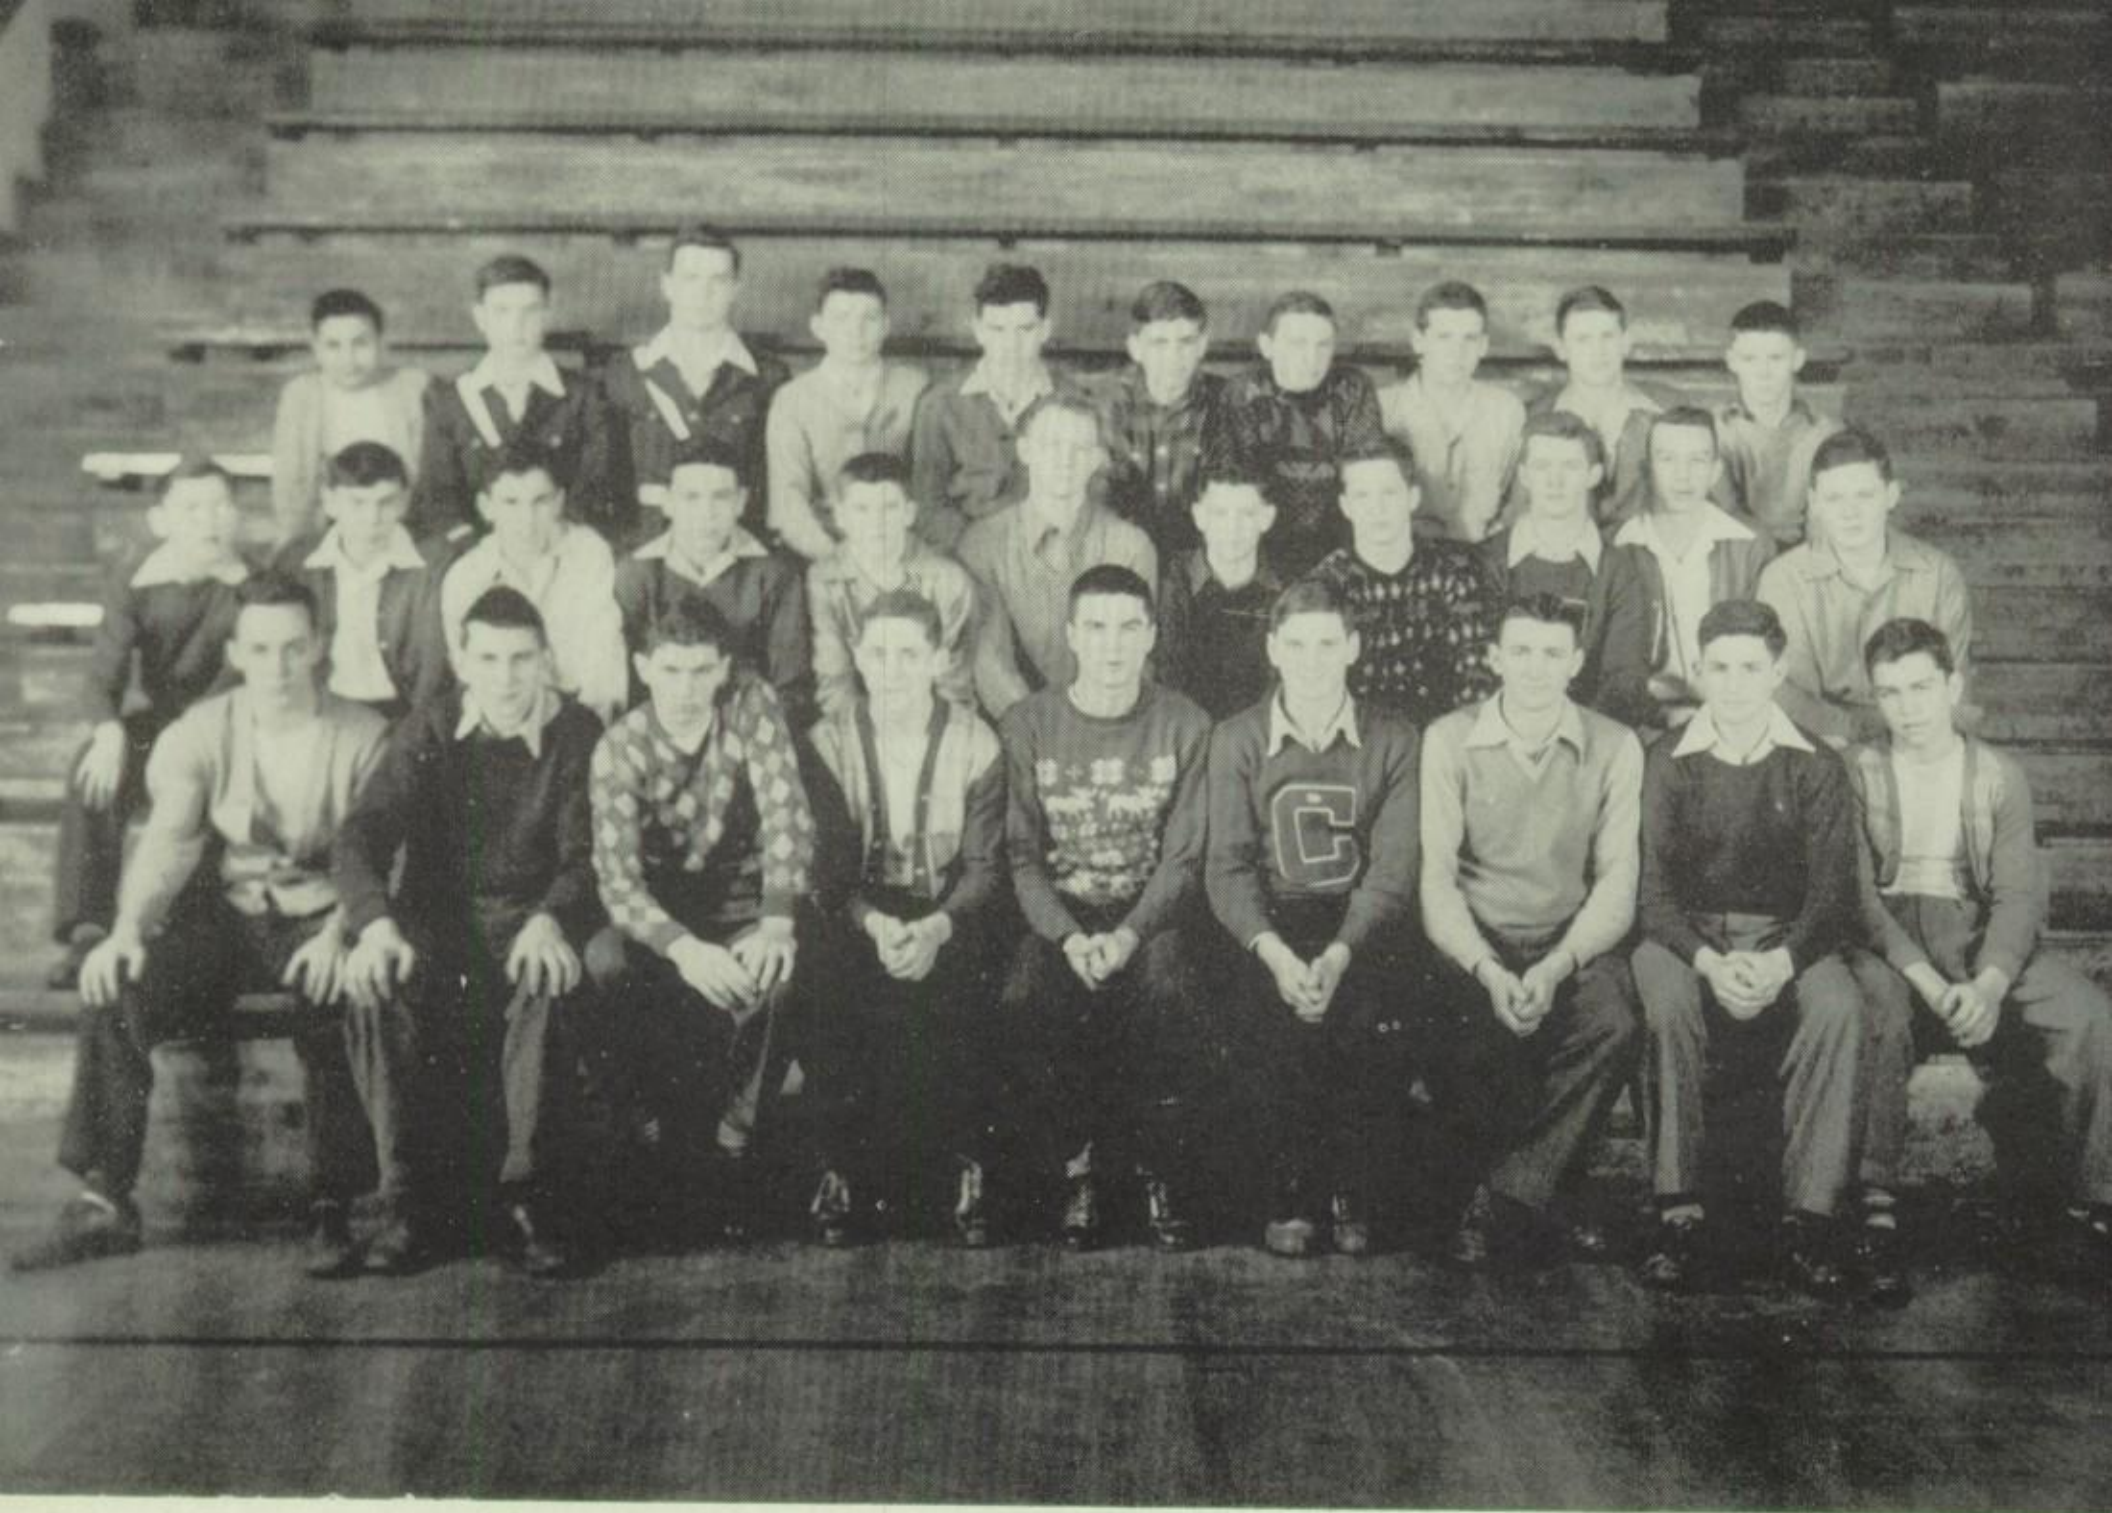

Bill Howard . . . Senior Guard . . . "Brad" . . . His first year of action, because of a knee injury, proved him to be very valuable as he constantly blocked punts and recovered fumbles.

Eugene Jacoby . . . Junior Guard . . . Although inexperienced, Gene proved himself to be a good guard and gave his best at all times, improving as the season progressed. Expect great things from him next year.

Lloyd Hill . . . Junior End . . . A light, quick, scrappy end. He proved very valuable, as he was adept to playing either end and could hold his own against any opponent. Should be greatly improved next year.

John Schira . . . Senior Tackle . . . "Bud" . . . Although hampered by a knee injury before our first game, he gave his best and proved to be a tough tackle. It was hard to keep him out of a play.

Wendell Myers . . . Guard . . . A long shot artist. Was constantly worrying. First team for a starting position.

Richard Ward . . . Center . . . Not so tall but was never out jumped. He controlled backboards and was a dead set shot. His team elected him captain.

Lewie Buckingham . . . Guard . . . Always in there fighting. One-handed push shots were his dish.

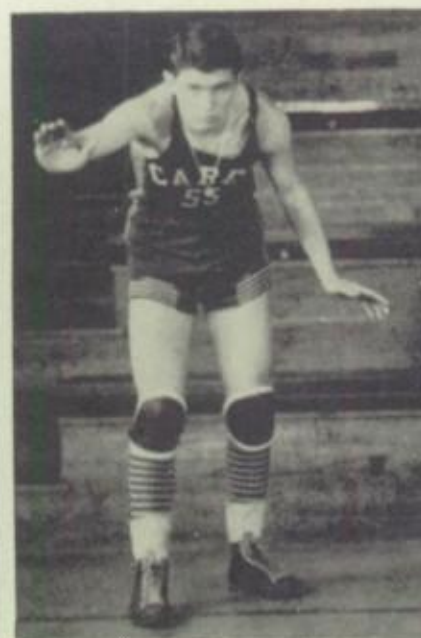

Richard Lab . . . Guard . . . Carey's best defensive man. Proved very effective at blocking shots and getting the ball off the backboards.

Ronald Geckle . . . Center . . . New here this year, he proved to be a valuable substitute. Really had the welfare of the team at heart.

Donald Yingling . . . Forward . . . Fast, aggressive player, had the ability to shoot from any position with either hand.

Jack Kitzler . . . Forward . . . Fast, could shoot with either hand, also proved very worrisome to the opposing players when on defense.

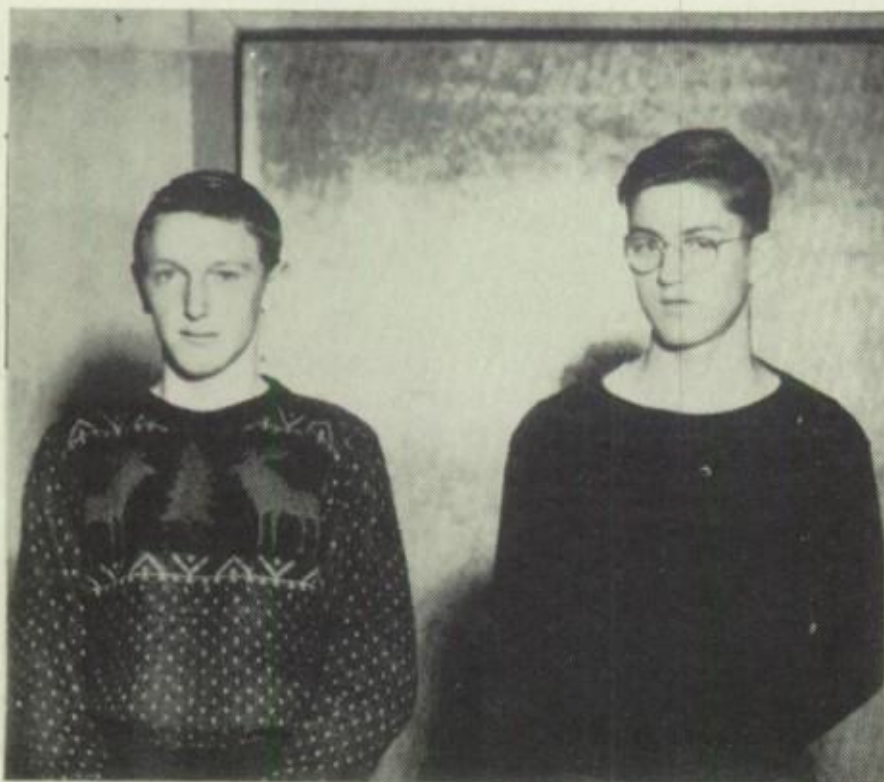

Coach Wentling . . . He was a real pal to all the fellows and he put forth his best efforts to develop the material he had to work with.

HI-Y

On October 10, 1938, at 8:00 P. M. a group of boys met in the Carey High School. They had been brought together by Mr. Mulholland, our principal, for the purpose of forming a new organization in Carey. These boys had met to join the National Hi-Y. They had agreed to adopt its platform, clean speech, clean sportsmanship, clean scholarship, clean living, and the purpose of the Hi-Y, to create, maintain, and extend throughout the school and community the high standards of Christian character. The constitution was drawn up and the Carey Hi-Y Club was born.

Today, five years later the Carey Hi-Y Club is functioning strongly. It is strongly steeped in tradition, the Father and Son Banquets, the Easter program, Senior Farewell Dance, the Christmas program, which each year, draws a larger and larger crowd and is fast becoming one of the traditions of Carey, rather than of the school. This year we have established a newspaper of the school activities for the year and sent it to past members in the service of our country and away from home. As long as there are boys away from home we are sure that they will want us to adopt the newspaper as a permanent custom. Nearly all of our past members are in the service; a large number are abroad on the fighting fronts; one of the original group is a prisoner of war. Soon those of the present chapter will be in service, but we who remain will do our utmost to see that there are bigger and better "Hi-Y" Clubs.

The circle of light is the symbol of the Girl Reserves. This organization is a branch of the national Y. W. C. A. and offers a wide variety of activities.

GENERAL MERIT

The General Merit award has been established in our school since 1938. The award is given to twenty-five high school students who have, during the year, shown those qualities which are most essential to success in life.

The faculty chooses these students by awarding so many points on the basis of scholarship, leadership, extra-curricular activities, church participation, courtesy, regularity, and school spirit.

The four students ranking the highest have their names engraved on a plaque.

The importance of this award is shown by the students' eagerness to attain the certificate and to have their names engraved on the plaque.

The new members were: senior, Richard Ward; junior, Shirley Jacobs; sophomore, Owen Courtad; freshman, Joyce Snyder; eighth, Betty Rex; seventh, Jane Ann Mitchel.

The council conducted the sale of Activity Tickets, which was very successful. It also arranged the chapel programs and sponsored several dances.

The student council serves as a tie between the student body and the faculty. Good luck to you next year. May you do as good work as others have in the past.

M U S I C

The band started the 1943-44 year with our fine director, Mr. Parfitt. We marched every morning in hopes of improving our lines. We were successful!! We supported our team at every home football game with a small but mighty band proudly led by Eva Wenner, head drum majorette, and five new majorettes. A bell lyre was presented to the band by the Band Mothers and it was a great added attraction during our marching season. We went to only one out-of-town game, Upper, because of gas rationing. At Upper we strutted down the field in a bomber formation.

The officers elected this year were: president, Barbara Johnson; vice-president, Patsy Laird; secretary-treasurer, Marilyn Shane; librarian, Jean Summerell assisted by Ann Schira; managers, Lloyd Hill and Donald Krebs.

We practiced faithfully every morning for the concert on January 28th. It was a mixed program with the band all out for home morale with "The Victory Garden Suite." An xylophone was added to the band for the concert.

We are all looking forward to our usual summer concerts.

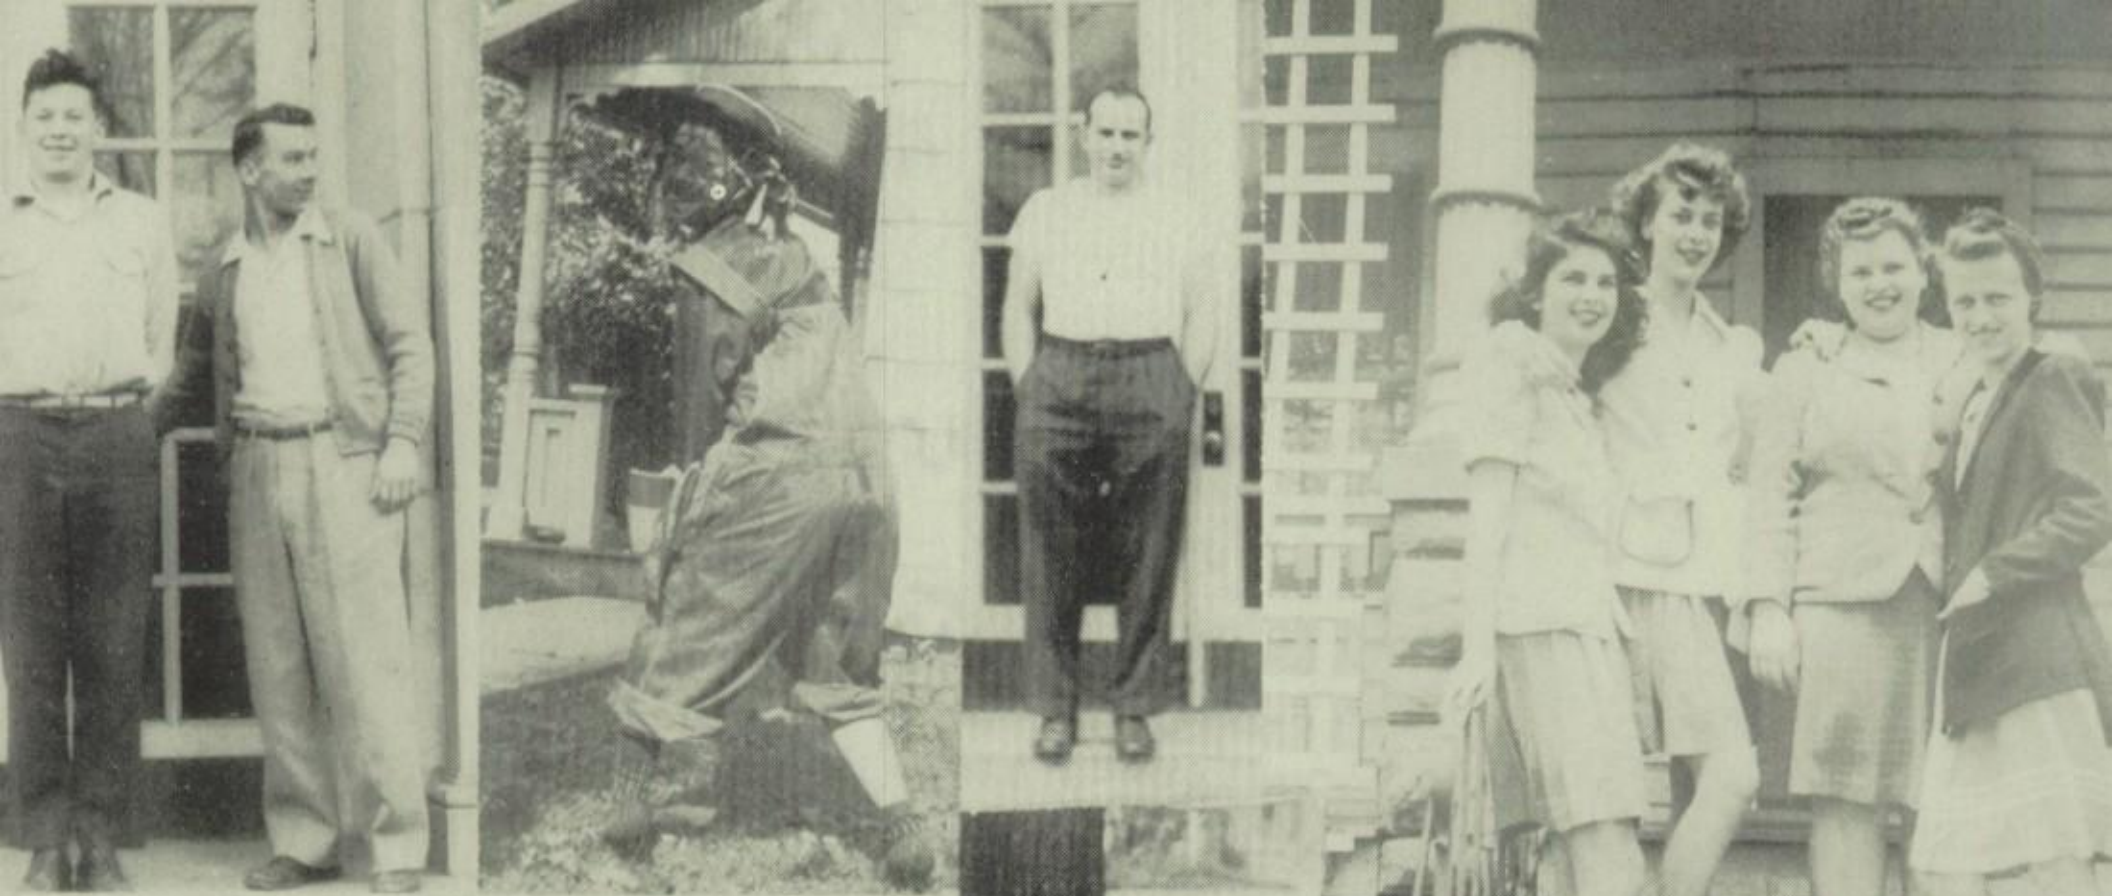

Mr. Parfitt's mixed chorus has made itself known to all the school through its musical talent. We started right off by singing for the religious chapels on Mondays.

The assistants of Mr. Parfitt were Valeria Thomas, accompanist; and Floyd Gaster, student director. We have our practice on Monday and Thursday.

This year there are too many girls for the number of boys, but we are still trying to draft the boys.

The chorus sang for the Hi-Y Christmas program this year and appeared in a few other public performances. The great success of the chorus was due to the help of Mr. Parfitt, our musical director.
